**Subject:** bicyclopyrone proposed decision draft

Dear HED, EFED, and BEAD:

Please provide comments to me for the attached bicyclopyrone proposed decision by 3/3/15 or sooner if possible. Note this is in the format of the new the proposed decision document that was modeled after the one that Meredith's branch just completed. The BEAD / Benefits section will be changing some. I've attached the signed EFED assessment and the draft HED assessment.

Thanks

Erik
